Warming Center Activations

December 7, 2009, Due to the impact of the recent winter storm weather, the loss of power to many residents and the forecast of freezing temperatures over night a warming center has been opened. The intent of the warming center is to provide a location where individuals who have lost power and can not heat their residence or who are experiencing difficulties in dealing with the cold weather. The following warming center is currently open.

Town Hall City of Placerville
549 Main Street
Placerville, CA

The shelter opening will be evaluated on a daily basis depending on its use and the restoration of power to affected areas.
